YOUR ABF ASSOCIATION

Your registration was created to be associated with ABF in the **INTERNATIONAL SUPPLIER** category.

This category is described in article 7 of the entity's Articles of Incorporation. To access the Articles of Incorporation, please visit the ABF website, www.abf.com.br, click on "ABF" and then choose the option "Articles of Incorporation".

The Articles of Incorporation defines the International Supplier such as Individuals or legal entities that are not based in Brazilian territory and are service providers and/or suppliers of products operating in the franchising system, duly organized in accordance with the legislation of their country of origin.

If you do not fit this definition, please contact relacionamento@abf.com.br or international@abf.com.br

STEP 1 - REGULATION

This document contains a detailed description of all the association process steps and the commitment made to **ABF** during this process.

Please read the document carefully and, in case of questions, contact **ABF**.

After reading the entire document, click at the end on "*I have read, agreed and accepted all the terms of this regulation, including the obligations assumed during the association process*" to proceed to the next steps.

STEP 2 - PAYMENT OF ASSOCIATION ANALYSIS FEE AND ANNUITY PROCESS

After the "REGULATION" step, you will be directed to the "PAYMENT" screen.

In order to advance to the next stages of the association process, the International Supplier must pay the Association Process Analysis Fee. The current value of the fee is as follows:

CATEGORY	VALUES
INTERNATIONAL SUPPLIER	USD 150.00

1. Access the payment platform; 2. Inform your credit card details (name of holder, card number, security code and expiration date). 3. Wait for payment confirmation. If there is any problem in the transaction, the following message will be displayed: "Your purchase was not finalized as it was not authorized by your card operator. Please contact your card operator or try again later." There are several factors that can generate this message, such as problems with the balance, suspected fraud or any other reason that the company responsible for the capture, transmission, processing

and financial settlement of transactions carried out with cards deems relevant not to authorize the transaction. ABF has no responsibility for the non-authorization of the transaction. If there is any other problem, please contact financeiro@abf.com.br

It is a one-time fee unrelated to the annual fee of USD 441.00 (Four hundred and forty-one dollars) that the partners undertake to pay after the process is completed. Payment will be made every year, and it is scheduled for January. Any associations after the month of January will be charged proportionally to the remaining months until the end of the year. Example: A Candidate who joins in July will pay 50% of the annual fee.
